Important Safety Notice

Harvest Healthcare Ltd supplies equipment and appliances to cover a range of medical conditions. Specific choice of equipment is the sole responsibility of the clinical practitioner or carer overseeing individual patient care. Harvest Healthcare Ltd supplies a range of products such as foam mattresses, active air mattresses, fall protection mats and bed rail protection bumpers. These products are usually covered in vapour permeable PU fabric that could cause risk of suffocation in the event of prolonged facial contact. Mattress risk categories are to be used as a guide only. Risk assessments specific to user must be carried out prior to the use of all products. Products and data continually undergo development and may therefore deviate from the details given.
